

So you want to send Christmas cards to your friends here at the church. In case you have not heard, there is a file folder in the fellowship hall that serves as our local post office. Just put the name on your cards, put them in the file according to the first initial of their last name, and they can come pick it up. Then you can donate the money that you would have spent on stamps, to the church. Make sure you check when you are here to see if anyone sent you one!

At 4pm on December 19th, we will be meeting at the Church of Christ and go down to nursing homes in Alamogordo to do some caroling. We will end up back in Cloudercroft singing for a few people who are homebound.

Here Going Caroling

A NEW YEAR & NEW OPPORTUNITIES

Happy New Year! Happy New Year!

We are working hard to get the new church website up and running by the end of the year. The address of the new site will be www.cloudcroftumc.org.

We do need your help though! We're trying to make a really great, easy to use photo roster and would like to get as many faces on it as possible. Through the end of the month, we are going to be taking pictures after church of individuals and families for the site.

If you know an out of town member, we are accepting digital photos that are labeled with their name. It has to be taken in landscape form, with a close up of faces. We are unable to accept copyrighted photos. I know that is very specific, but we would like to keep the pictures as uniform as possible.

Please spread the word that we are looking to get every face we can onto our secure site.
